

Dear Mrs Calegari,

We send CV of Mr Ježek.

Rođen sam 1951. godine u Zagrebu te sam od malih nogu imao psa uz sebe.

Moja velika ljubav su uvijek bili bokseri. Uzgajalicu WAYK sam registrirao 1983.godine I pod njom uzgojio mnogo kvalitetnih pasa. Kinološki sudac sam postao 1979. godine, te sam daljnjom edukacijom i polaganjem ispita došao do statusa suca za sve pasmine.

Dugogodišnji sam voditelj rodovne knjige za sportske I službene pasmine pri Hrvatskom Kinološkom savezu. Također dugi niz godina sam predsjednik Boxer kluba Zagreb-Hrvatska, te voditelj uzgoja za tu pasminu.

Sudio sam na niz međunarodnih i specijalnih izložbi za ovu pasminu diljem Europe, Atiboxu 2005, Europskoj izložbi pasa u Zagrebu 2007. godine, te na mnogim godišnjim prvenstvima za pasminu Njemački bokser.

I was born in 1951 in Zagreb and I had a dog with me from an early age.

My big love has always been boxers. I registered the WAYK kennel in 1983 and bred many quality dogs under it. I became a cynological judge in 1979, and with further education and passing the exams I came to the status of an all round judge.

I am the president of the pedigree book for sports and utility breeds at the Croatian Kennel Club for many years. I am also the president of the Boxer Club Zagreb-Croatia for many years, and the president of breeding committee for that breed.

I have judged a number of international and special shows for Boxers throughout Europe such as Atibox 2005, the European Dog Show in Zagreb in 2007, and many annual championships for the German Boxer breed.
